# MY NOTE PAD

DIGITAL NOTEPAD WITH MEMORY

Applications

■ **Use Digital Ink pad to take digital notes....**

Use the digital ink pen, ,just write down what ever you want on ordinary paper as the natural way. Your notes, ideas, and sketch will be stored in the pad digitally in real time.
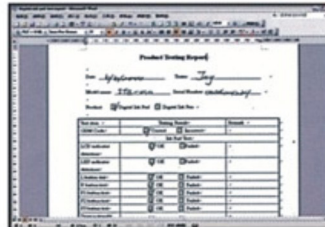

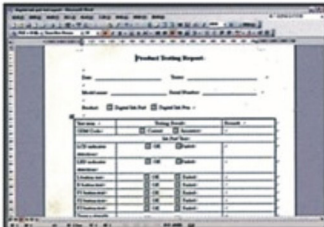

Handwritten files recognized to text for sharing.

Convert to popular format - JPEG/BMP/PDF/Html/RAR/e-mail message for further arrangement in Adobe Acrobat, Adobe Photoshop painter and other applications.
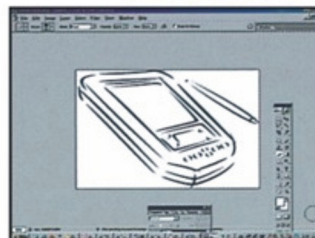

■ **Use Digital Ink Pad to arrange forms**

You can integrate your handwritings into Microsoft Word or Excel form templates, making a complete digital form. Also, SDK (Software Development Kits) is available for advanced form application.

■ **Use Digital Ink Pad as a tablet.....**

The offline sketch can be edited in professional S/Ws. A perfect presentation assistant at the meetings. Great tool for handwriting mails, Office document annotations, and MSN handwriting chatting.
